

# Welcome!

We're glad you're here, joining us at the 2nd UI5con@SAP.

Brace yourself for a day packed with great lectures & hands-on sessions all about UI5 Development.

In this On-site Guide, you'll find useful information as well as today's agenda. A map of the building is given on the back.

And in case you simply can't get enough of the UI5 vibe, join us for the evening event in the Canteen at 7pm. There'll be food and drinks and loads of fellow devs to get to know!

Enjoy your day and find time to learn. explore. connect.
